

Top Ten Reasons the UBC Endorsed V.P. Harris

10. Launched the first-ever White House Task Force on **Worker Organizing and Empowerment**.

9. Created the **Made in America** office, to ensure that American-made construction materials are used on infrastructure projects.

8. Implemented a new rule to require **Project Labor Agreements** on nearly all major federal construction projects of over \$35 million.

7. Signed the Butch Lewis Act as part of the American Rescue Plan to **save the pensions of more than one million** hard-working union workers and retirees.

6. Published a new rule restoring and extending **overtime pay protections** to millions of workers.

5. Published a final rule from the Department of Treasury implementing **prevailing wage and apprenticeship bonus credits** for clean energy projects funded by the President's Inflation Reduction Act.

4. Proposed a new rule from the Department of Labor that would **protect 36 million indoor and outdoor workers** from extreme heat on the job.

3. Through the NLRB, overhauled the process for union representation elections by requiring an employer to bargain if it commits an unfair labor practice during the election process, and by reducing unnecessary delays before workers can vote.

2. Introduced a requirement that companies receiving grants under the CHIPS Act over \$150 million create a plan to ensure access to **quality, affordable child care for their employees**.

1. Published the first update to **Davis-Bacon prevailing wages** in nearly 40 years, which will increase pay for one million construction workers over time.
